LONDON

SUSTAINABLE DEVELOPMENT GOALS  Accredited by NOCN, an Ofqual UK Regulatory Agent

London is the capital and largest city of England and the **United Kingdom** and the centre of the **Greater London** region. London has been a city for two millennia, since it was founded by the Romans under the name **Londinium** in the middle of the first century AD. The old core of London, the City of London, has largely retained its mediaeval boundaries. Since the 17th century, the name London also refers to the metropolis that developed around the old core. Most of this conurbation makes up the London region and the **Greater London** administrative area, which is governed by the Mayor of London and the London Assembly.

London is a significant global city and one of the world's largest financial centres with the largest gross domestic product in **Europe**.

CAMBRIDGE/OXFORD

Cambridge is a university city and the county town in **Cambridgeshire**. The city is most famous as the home of the **University of Cambridge**, which was founded in 1209 and consistently ranks among the top universities in the world. It is the home of the famous **Cavendish Laboratory**, **King College Chapel** and the **University Library**.

The latter two dominate the **Cambridge** skyline, along with the chimney of Addenbrooke's Hospital seen from the south side of the city, while from the north it is the tower of **St. John's College**.

Oxford is a city in England, in the country town of Oxfordshire. It is about 90 kilometres north of London and is home to the University of Oxford, the oldest university in the English-speaking world. It is also known for its range of architectures, boasting buildings in every imaginable style starting from the late Anglo-Saxon period. It is one of the most culturally diverse cities in the UK, with a vibrant and cosmopolitan population.

THE THAMES RIVER BOAT TOUR

SUSTAINABLE
DEVELOPMENT GOALS

Accredited by NOCN, an Ofqual UK
Regulatory Agent

The Thames River Boat Tour offers a unique and scenic way to experience the heart of London. As you glide along the iconic River Thames, you'll be treated to **breathtaking views of some of the city's most famous landmarks, including the Houses of Parliament, the Tower of London, Tower Bridge, and the London Eye.** The boat tour provides insightful commentary, offering fascinating historical facts and stories about the city's rich heritage.

Whether you choose a daytime cruise to see London in the sunlight or an evening tour to witness the city's illuminated skyline, the **Thames River Boat Tour is an unforgettable way to explore London from a different perspective.** Perfect for families, tourists, and locals alike, it's a relaxing and informative journey **through the heart of the capital.**

TOWER BRIDGE

Tower Bridge is a historic and iconic suspension bridge crossing the River Thames in London. It is a defining landmark of the city and is particularly noted for its twin towers, high-level walkways, and bascule mechanism that lifts the road for passing ships. It is home to the Tower Bridge Exhibition, which recounts its fascinating history, details its intricate engineering, and offers breathtaking panoramic views of London from its glass floors and walkways.

The bridge's unique design dominates the Tower Bridge section of the Thames, connecting the Borough of Southwark with the City of London, and offers iconic views of other nearby landmarks such as the Tower of London and the contemporary Shard.

London is the historic and political capital of the United Kingdom and is a global hub for culture, finance, and history. It is world-renowned for its extensive array of architectural marvels, boasting buildings from countless historical periods, ranging from the ancient Tower of London to the modern skyscrapers of the Canary Wharf financial district.
