LONDON

London is the capital of England, as well as the largest city in the United Kingdom, with a population of just under 10 million. The city was founded under the Romans as Londinium and traces of its medieval boundaries can still be found today. It also boasts the busiest city airport system in the world, the oldest rapid transit system in the world, and the second-most-visited place in the world.

London is an influential force in arts, fashion, entertainment, finance, education and culture, health care, popular media, science, tourism, and countless other fields. It is also home to some of the highest-ranked academic institutions globally, such as the Imperial College London, the London School of Economics, and University College London.

London also has four World Heritage Sites. Some historic landmarks are the Tower of London, Kew Gardens, the combined Palace of Westminster, Westminster Abbey, St Margaret's Church, and Buckingham Palace. Well-known tourist attractions include the London Eye, Piccadilly Circus, Tower Bridge, and Trafalgar Square. Last but not least, London is home to many great museums, galleries, libraries, and cultural venues, such as the British Museum, National Gallery, Tate Modern, and West End theatres.
