THORPE PARK

Thorpe Park Resort, commonly known as **Thorpe Park**, is an amusement park located in the village of Thorpe between the towns of **Chertsey** and **Staines-upon-Thames** in **Surrey, England**, 20 miles (32 km) southwest of **Central London**. It is operated by **Merlin Entertainments** and includes rides, themed cabins, live events and **Stealth**, the United Kingdom's fastest rollercoaster. In 2019 Thorpe park was the UK's third most visited theme park (1.9 million visitors), behind **Alton Towers** and Legoland Windsor.[1] However, in 2020, due to the coronavirus pandemic, the park only had a 125-day operation season, along with limited capacity, leading to massively reduced visitor numbers.[citation needed] Despite this, **Thorpe Park** was the second most attended theme park in the UK in 2020, behind **Alton Towers**. [1] After demolition of the **Thorpe Park Estate** in the 1930s, the site became a gravel pit managed by **Ready Mix Concrete** (RMC). When the pits were expanded, **RMC** regenerated the site for leisure, opening Thorpe Park as an outdoor activity park in 1979. It has since grown into one of the major theme parks in the UK. Major attractions include Tidal Wave, a large water ride, a number of roller coasters including **Colossus**, **Nemesis Inferno**, **Stealth**, **Saw – The Ride**, **The Swarm**, **The Walking Dead: The Ride**, and **Ghost Train**, a dark ride.
